

9th, 10th, 11th OCTOBER

ALUIS CUM HUMANITATE

The Lighthouse Club is holding its fifth Lighthouse Run in October 2010 to raise funds for our Benevolent Fund. Setting out from John O'Groats on a Sunday you'll drive through what has been described as the most beautiful and spectacular scenery in Britain down to an overnight stop somewhere in the Lake District. The next day will take you through Wales and the West Country to Lands End - all in the company of teams of like minded people from throughout the Construction and Allied Industries. It will be a hard drive. The route will be revealed in stages at the various check points so you will not be able to plan ahead and obviously you will have the unpredictable British weather to contend with. Whatever happens it will be a drive to remember and an achievement to be proud of. We have now finalised the date, **and members taking part accommodation will be arranged and paid for by the Club**, if you are interested please contact the organiser, Tony Green, on 01823 481111 or fax 01823 480682 or e mail tonymgreen@fsmail.net and you will be sent details as soon as they are ready. You are assured that the goodwill and fellowship generated will be in the traditional Lighthouse Club manner.
