Lighthouse Run

George and Jim Wright successfully completed their run from John o'Groats to Land's End, raising over £2,500 so far for the Lighthouse Club Benevolent Fund, a charity that raises money for the families of those who are killed or seriously injured in the Construction Industry. The two-day run used a route that they didn't know about in advance, and no sat-navs were allowed. Nine cars took part, covering 1170 miles with a total of 27 hours behind the wheel. The Mini took the prize for the best turned out car. See www.lighthouseclub.net.
