

The Beacon

Shining brighter, reaching further

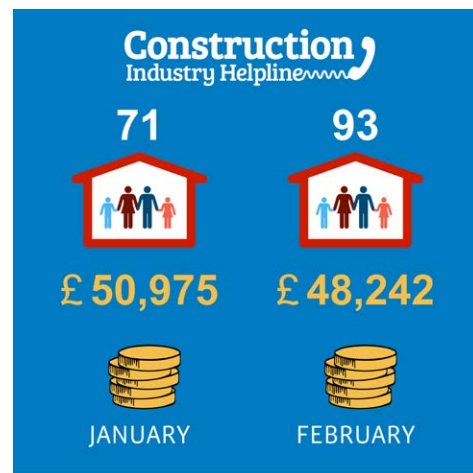

March edition

Welcome to The Beacon, our monthly newsletter where we reflect on the work we do and the people and companies that support us. Our charity provides a 24/7 Construction Industry Helpline for all construction workers and their families. We also promote health and safety initiatives and deliver educational projects aimed at improving employment opportunities within construction. We receive no public funding and rely on the generosity of the construction community and our 21 volunteer regional Lighthouse Clubs to raise funds for our cause.

Construction Industry Helpline

So far this year, our Construction Industry Helpline has supported 163 families and provided £99,217 to families in crisis. The confidential helpline provides a 24/7 safety net for all construction workers and their families in the UK and Ireland.

Making a difference Vanessa and Mick's story

Mick Moore worked in the construction industry all his life as a plant operator and sadly died in November 2015 from an undiagnosed heart condition. Struggling to cope, his wife Vanessa contacted us for help.

Lighthouse Golf Club

With over 1500 golfers a year playing for our charity, we have now launched our very own Lighthouse Golf Club. The Lighthouse Golf Club has been created to foster networking and playing in a competitive fun environment all whilst generating vital funds for our charity. We have a range of national and regional golf competitions on some of the best courses in the country for you and your colleagues to enjoy, so please come and join us!

Lighthouse Day, One day to help our own

We need you! Up and down the country people like you have been holding Lighthouse Days to raise funds for us. We've seen golf days, go karting races, tough mudder challenges, bike rides, summer balls, treasure hunts, quizzes and much more. All you need to do is pledge just one day to help raise funds for those in need in the construction community.
