Auction Prize Sponsor

The Lighthouse Construction Industry Charity manages to raise invaluable funds at our events but that would not be possible without the generosity of our sponsors and their kind donations of auction prizes.

What to do:

- Donate an auction prize to be entered into either our live or silent auction
- See your Company logo and a special mention in our special Christmas Lunch brochure
- See your Company logo featured on our special auction webpage which allows guests the ability to view and pre-bid for the auction items up until the time of the event

Your Choice!

It is entirely up to you what you choose to donate, however remember the bigger and more unique the prize, the bigger the bid!
