

Lighthouse Day Fundraising Pack

One day... To help our own
www.lighthouseclub.org

Your money goes right where it's needed - helping our construction workers in crisis.

Thank you for choosing to support and raise funds for the Lighthouse Construction Industry Charity by participating in Lighthouse Day! Whatever you're doing to help us we hope this guide will give you some great tips for fundraising success!

Our team are always here to help, so if you have any questions about how to fundraise or how to keep it safe or legal please get in touch.

Thank you and good luck!
The Lighthouse Club team

Every year there are on average 40 fatalities on our building sites

Every year there are over 2,000 major accidents that incapacitate the worker in such a way they cannot return to work

Every year there are over 69,000 new cases of work related illness reported that can be directly attributed to working within construction

Stress, depression or anxiety accounts for a fifth of all work related illness

Over 45% of all occupational cancer cases in the UK are directly attributed to working in construction

Every year over 400 construction workers commit suicide

Every year over 1.7 million man days are lost through injury or illness in our industry

Once you set your mind to it, it's amazing what you can achieve. Hundreds of people have reached and even exceeded their fundraising targets!

A-Z of fundraising ideas.

There are so many ways you can support us and make a difference to construction families in need. Whether you become a Company Supporter by pledging a regular annual donation, raise £5 or £5,000 with your Lighthouse Day, attend a fundraising event or volunteer at your local regional club, no support is too small.

However, if you do need some fundraising inspiration, we've come up with a list from A-Z to help get you started!

Top tips to make your Lighthouse Day a success!

Whether you're running a marathon, having a golf day, competing in a quiz or taking on a tough mudder challenge, here are some top fundraising tips to make your event a fantastic success!

Think outside the box - try something different and don't be afraid to get creative with your ideas!

Don't be afraid to ask for sponsorship - make sure you use all forms of communication to tell people about your fundraising. Publicise your event through internal newsletters, local press and social media. Consider engaging your supply chain to get extra support too. The more people that know what you are doing - the better!

Set a date, time and place - make sure that it doesn't clash with any of the major sporting or social events, unless it is based on that event and try to avoid busy times for you and your team.

Tell us what you're doing - we love to hear the unique and fun ways our supporters are raising money for us!

Don't forget to say thanks to everyone who donated, participated, or who helped on the day.

Keep costs down - you're more likely to get items/services donated if you mention you're fundraising for a charity so don't be afraid to ask.

Send us some photos and a short story about how your day went. We'll publicise this on our website for all to see!

Keeping your fundraising safe.

Here are a few key points to consider while planning your fundraiser:

- Consider health and safety to make sure people are safe
- Conduct a risk assessment if necessary and follow any food safety laws
- Please ensure you have consent when taking pictures of your event (especially under 18's)
- Public liability insurance - The Lighthouse Club cannot accept any responsibility for your fundraising activities or anyone who participates in it, so we strongly recommend you have adequate insurance

Collecting **donations** and paying in the money you've raised.

Now that you have planned your fundraising event, you'll need a way of collecting all of your donations! There are lots of ways to do this, either through one of our online fundraising platforms, or by collecting donations and sending the final amount safely to our charity through bank transfer or by cheque.

Online fundraising

It is easy to set up a free online fundraising page where people can donate quickly and securely online. These reach a wide audience and allow donations in a simple and secure way. Don't forget to send us the page link so we can share this too!

Matched Giving

Many employers will match £1 for £1 for staff taking part in charity fundraising. Don't forget to ask your boss to see if they can support you in raising funds.

Gift aid

You can get a boost to your fundraising by using Gift Aid. For every gift aided donation our charity will receive an extra 25% for every £1 at no extra cost to you. Any UK tax payer can claim gift aid as long as they have paid more tax than the donation amount they wish to claim - all you have to do is declare that you / your donors are a UK tax payer and HMRC will do the rest!

Paying in by bank transfer or **cheque**

It would really help us if you made payments directly into our bank account so that we can avoid those dreaded bank charges!

Here are the details you need:

UK: Lloyds Bank, 79 High Street,
Chesham, Bucks, HP5 1DE
Account: 18891968
Sort Code: 30 91 91

ROI: Metro Bank,
Account: 37800432
Sort Code: 23 05 80
BIC: MYMBGB2L
IBAN: GB17MYMB23058037800432

Please make all cheques payable to **Lighthouse CIC** and send to:
**Lighthouse Construction Industry Charity, Suffolk Enterprise Centre,
Felaw Maltings, Felaw Street, Ipswich, IP2 8SJ**
